Building Resilient Communities

The Community Emergency Response Team (CERT) program educates volunteers about disaster preparedness for the hazards that may impact their area and trains them in basic disaster response skills. This refresher course will focus on disaster medical operations.

This **FREE** refresher course will last three hours from 6pm-9pm and is open to the public who has already completed the 20-hour CERT basic course. Attendees do not need to bring their certificates or their CERT backpacks with them to this training.

*****CERT courses may be subject to cancellation at any time prior to start of class, if minimum registration number is not met*****
