January 3, 2019

To All Interested Parties,

Thank you for attending Calimesa's on-call environmental consultant interviews. The selection committee is pleased to announce the following final selection chosen from the pre-selection short list. This selection was based upon evaluation scores of the interviews. The firms selected, in no particular order, are as follows:

1. Dudek, Inc.
2. Albert A. Webb Associates

The City of Calimesa will be contacting the firms identified in this final selection notification directly to discuss the forthcoming professional services agreement. We thank you all sincerely for your time and continued interest in this process.

All inquiries and responses related to this final selection notification should be submitted to:

City of Calimesa Planning Department
