

# CALLING LOCAL RESIDENTS!

We need your help to envision, plan, and design your new City park at 4th Street and Calimesa Creek. The State has voter-approved grant money (Prop. 84, 2006) for new parks. We want the new park to serve your needs, so we need your input. Please attend one or more of our park workshops. Refreshments will be provided. Public participation is also vital to receiving grant approval.

<u>Date</u>	<u>Time</u>	<u>Place</u>	<u>Target Audience</u>
