- In the event of a tie vote, additional balloting shall occur until a District Representative is elected.
- Elected officials from cities that are not voting-eligible members of SCAG cannot vote and cannot be candidates for District Representative positions.
- If there is only one candidate, that individual shall be declared the District Representative and no election will be required.
- Special election are elections resulting from a vacancy of the District representative seat. These procedures may be followed for special elections of District representatives, but may be revised by SCAG staff based upon the circumstance.
